ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. Rate Information. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Savings Share, Stars & Stripes Savings Share, Rising Star Savings Share, Holiday Club Savings Share, Vacation Club Savings Share, Money Market Savings Share, Secured VISA Savings Share, IRA Savings Share, HSA Savings, Performance Checking, Prestigious Checking, HSA Checking and Privileged Checking accounts, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates

paying for the applicable dividend period. The Regular Savings Share, Holiday Club Savings Share, Vacation Club Savings Share, Secured VISA Savings Share and IRA Savings Share accounts are Tiered Rate accounts. If your Average Daily Balance is from \$50.00 to \$999.99, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Average Daily Balance is from \$1,000.00 to \$2,499.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$2,500.00 to \$4,999.99 the third Dividend Rate and Percentage Yield listed for this account in the Rate Schedule will apply. If your average daily balance is \$5,000.00 or greater, the fourth dividend rate and annual percentage yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account. The Stars & Stripes

Savings Share and Rising Star Savings Share accounts are Tiered Rate accounts. If your Average Daily Balance is from \$0.01 to \$999.99, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Average Daily Balance is from \$1,000.00 to \$2,499.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$2,500.00 to \$4,999.99 the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$5,000.00 or greater, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account. The Money Market Savings Share account is a Tiered Rate account. If your Average Daily Balance is from \$2,500.00 to \$9,999.99, the first Dividend Rate and

Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Average Daily Balance is from \$10,000.00 to \$24,999.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is from \$25,000.00 to \$49,999.99, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is from \$50,000.00 to \$99,999.99, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$100,000.00 or greater, the fifth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account. The Prestigious Checking account is a Tiered Rate account. If your Average Daily Balance is from \$5,000.00 to \$9,999.99, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Average Daily Balance is from \$10,000.00 to \$24,999.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$25,000.00 or greater, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account. The HSA Savings and HSA Checking accounts are Tiered Rate accounts. If your Average Daily Balance is from \$25.00 to \$2,499.99, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Average Daily Balance is from \$2,500.00 to \$4,999.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is from \$5,000.00 to \$9,999.99, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is from \$10,000.00 to \$49,999.99, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is from \$50,000.00 to \$99,999.99, the fifth Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$100,000.00 or greater, the sixth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account.

2. Nature of Dividends. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. Dividend Compounding and Crediting. The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. Accrual of Dividends. For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Holiday Club

accounts, any accrued dividends will be paid if you close your account within seven (7) days of the date you open it.

5. Balance Information. To open any account you must deposit or already have on deposit at least the par value of one full share in a Regular Savings Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Stars and Stripes Savings Share and Rising Star Savings Share accounts, you must be under 18 years of age to open this account. For IQ Checking accounts, you must be between the ages of 18 and 25 to open this account. At the age of 26 the IQ Checking account will automatically transfer to a Freedom Checking account and the Brass magazine subscription will end. For Privileged Checking accounts, you must be age 50 or more to qualify for this account. For Money Market Savings Share, Performance Checking and Prestigious Checking accounts, there is a minimum Average Daily Balance required to avoid a service fee for the dividend period. If the minimum average daily balance is not met during the dividend period, there will be a service fee as stated in the Rate Schedule. For Regular Savings Share, Star & Stripes Savings Share, Rising Star Savings Share, Holiday Club Savings Share, Vacation Club Savings Share, Money Market Savings Share, Secured VISA Savings Share, IRA Savings Share, HSA Savings, Performance Checking, Prestigious Checking, HSA Checking and Privileged Checking accounts, there is a minimum Average Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum average daily balance is not met, you will not earn the Annual Percentage Yield stated in the Rate Schedule. For accounts using the Average Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

6. Account Limitations. For Regular Savings Share, Stars & Stripes Savings Share, Rising Star Savings Share, Holiday Club Savings Share, Vacation Club Savings Share, Money Market Savings Share, IRA Savings and HSA Savings accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Secured VISA Savings Share accounts, you may not make any transfers or withdrawals from your account at any time. For Holiday Club Savings Share accounts, the entire balance will be transferred to your designated share savings account, unless you have instructed us otherwise, on or after November 1st and the account will remain open. For Prestigious Checking account, direct deposit is required. Failure to set up direct deposit after the 60 days of allotted time, the Prestigious Checking account will automatically change to a Performance Checking account and a reduction in dividend rate to the Performance Checking dividend rate will occur. For all accounts, if the Credit Union's data processing computer is down (off-line), the Credit Union reserves

the right to limit the maximum daily withdrawal amount to \$100.00 per member.

7. Fees for Overdrawing Accounts. Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction* (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

*For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

*The Credit Union's overdraft protection plan for one-time debit transactions is not applicable to business accounts.

** An exception will be made only if you are a non-working member or your employer does not provide direct deposit capabilities.
