## ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

**1. RATE INFORMATION.** The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Prime Savings Share, Stars & Stripes Savings Share, Rising Star Savings Share, Holiday Club Savings Share, Vacation Club Savings Share, High Rate Money Market Share, Money Market Share, Secured VISA Savings Share, IRA Savings Share, HSA Savings, HSA Checking, HSA Money Market and High Rate Checking accounts, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The Prime Savings Share, Holiday Club Savings, Vacation Club Savings Share, Secured VISA Savings Share, IRA Savings Share, HSA Savings, HSA Checking, Money Market Share, and HSA Money Market Share accounts are Tiered Rate accounts. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account. The High Rate Checking account is a tiered rate account, refer to section 2 for more details. The High Rate Money Market account is a tiered rate account, refer to section 4 for more details.

**2. HIGH RATE CHECKING ACCOUNT.** For High Rate Checking accounts, you may qualify for a high rate on first \$.01 to \$10,000.00 if you meet the applicable minimum qualification requirements during the monthly qualification cycle. To meet the minimum qualifications requirements, you must: a) make 12 or more debit card signature based purchases that post to your account; and b) be enrolled to receive e-statements. You may also qualify for an additional rate increase on your first \$.01 to \$10,000.00 if you meet the above minimum monthly qualifications and if you have a consumer loan with us in good standing (includes Home Equity Line of Credit advanced funds but does not include Credit Cards or Student Loans) with a loan balance of \$5,000.00 or more. The monthly qualification cycle is defined as the period beginning on the first day of the calendar month through the last day of the calendar month. Debit card signature based purchases may take one or more business days from the date the transaction was made to post and settle to your account. All transactions must post and settle during the monthly qualification cycle in order to qualify for the high dividend rate. Balances above \$10,000.00 will earn dividends at the rate(s) listed in the Rate Schedule for the applicable tier, depending on whether qualifications requirements were met. Each dividend rate will apply only to that portion of the account balance within each balance range. In addition, we will rebate up to \$25.00 in ATM fees assessed at nationwide ATMs we do not own and operate, if you meet the minimum qualification requirements during the monthly qualification cycle. ATM rebates will be paid on the last business day of the month. If you do not meet all the minimum qualifications requirements during the monthly qualification cycle ATM fees will not be rebated to you. You must be at least 18 years old to open a High Rate Checking account. There is a limit of three High Rate Checking and Reward Checking accounts allowed per member.

**3. REWARD CHECKING ACCOUNT.** For Reward Checking accounts, you may qualify for monthly rewards if you meet the applicable minimum qualification requirements during the monthly qualification cycle. To meet the minimum qualifications requirements, you must: a) make 12 or more debit card signature based purchases that post to your account; and b) be enrolled to receive e-statements. The monthly qualification cycle is defined as the period beginning on the first day of the calendar month through the last day of the calendar month. Debit card signature based purchases may take one or more business days from the date the transaction was made to post and settle to your account. All transactions must post and settle during the monthly qualification cycle in order to qualify for the high dividend rate. ATM transactions, ACH payments and account transfers do not count towards qualifying debit card activity. If you meet the minimum qualification requirements during the monthly qualification cycle, you will earn one (1) point for every \$5.00 spent on signature based debit card transactions. Qualifying debit card sales transactions include each time you use your AmeriCONNECT Visa Debit Card to make a purchase from a vendor or merchant. These transactions must post and clear your account during each monthly payment cycle. Points may be redeemed for statement credits, gift cards, merchandise, charity through Amplifi mall or for cash back (\$25.00 Minimum). New accounts will receive 10,000 bonus points when at least one recurring direct deposit, bill payment, or ACH credit posts during each month of the first 90 days after account opening. In addition, we will rebate up to \$25.00 in ATM fees assessed at nationwide ATMs we do not own and operate, if you meet the minimum qualification requirements during the monthly qualification cycle. ATM rebates will be paid on the last calendar day of the month. If you do not meet all of the minimum qualifications requirements during the monthly qualification cycle, you will not earn points on your signature based debit card transactions and ATM fees will not be rebated to you. You must be at least 18 years old to open a Reward Checking account. There is a limit of three High Rate Checking and Reward Checking accounts allowed per member.

**4. HIGH RATE MONEY MARKET.** For the High Rate Money Market annual percentage yield, you must meet the applicable minimum qualification requirements during the monthly qualification cycle. The monthly qualification cycle is defined as the period beginning on the first day of the calendar month through the last day of the calendar month. To meet the minimum qualification requirements, you must: a) be enrolled to receive e-statements; and b) have monthly recurring ACH direct deposit of at least \$250 per month which must be credited to the member's corresponding membership account. The corresponding membership account is defined as any account maintained under the same account number. The monthly recurring ACH direct deposit is not required to be deposited into the High Rate Money Market account itself. High Rate Money Market Share accounts are tiered rate accounts. If you meet the minimum qualification requirements during the monthly qualification cycle, the "Qualifications Met" dividend rate and annual percentage yield will apply to the balances as listed in the Rate Schedule. If you do not meet the minimum qualification requirements during the monthly qualification cycle the "Qualifications Not Met" dividend rate and annual percentage yield will apply to the balances as listed in the Rate Schedule.

**5. NATURE OF DIVIDENDS.** Dividends are paid from current income and available earnings after required transfers to reserves have been made at the end of the dividend period.

**6. DIVIDEND COMPOUNDING AND CREDITING.** The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

**7. ACCRUAL OF DIVIDENDS.** For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Holiday Club accounts, any accrued dividends will be paid if you close your account within seven (7) days of the date you open it.

**8. BALANCE INFORMATION.** To open any account, you must deposit or already have on deposit at least the par value of one full share in a Prime Savings Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Stars and Stripes Savings Share and

Rising Star Savings Share accounts, you must be under 18 years of age to open this account. For Prime Savings Share, Star & Stripes Savings Share, Rising Star Savings Share, Holiday Club Savings Share, Vacation Club Savings Share, High Rate Money Market Share, Money Market Share, Secured VISA Savings Share, IRA Savings Share, HSA Savings, HSA Checking, HSA Money Market, and High Rate Checking accounts, there is a minimum Average Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum average daily balance is not met, you will not earn the Annual Percentage Yield stated in the Rate Schedule. For accounts using the Average Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

**9. DATA PROCESSING OFFLINE.** If the Credit Union's data processing computer is down (off-line), the Credit Union reserves the right to limit the maximum daily withdrawal amount to \$100.00 per member, This applies to all accounts.
