2. NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING. The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS. For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Holiday Club accounts, any accrued dividends will be paid if you close your account within seven (7) days of the date you open it.

5. BALANCE INFORMATION. To open any account you must deposit or already have on deposit at least the par value of one full share in a Prime Savings Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Stars and Stripes Savings Share and Rising Star Savings Share accounts, you must be under 18 years of age to open this account. For IQ Checking accounts, you must be between the ages of 18 and 25 to open this account. At the age of 26 the IQ Checking account will automatically transfer to a Freedom Checking account and the Brass magazine subscription will end. For Privileged Checking accounts, you must be age 50 or more to qualify for this account. For Performance Checking and Prestigious Checking accounts, there is a minimum Average Daily Balance required to avoid a service fee for the dividend period. If the minimum average daily balance is not met during the dividend period, there will be a service fee as stated in the Rate Schedule. For Prime Savings Share, Star & Stripes Savings Share, Rising Star Savings

Share, Holiday Club Savings Share, Vacation Club Savings Share, Money Market Share, Secured VISA Savings Share, IRA Savings Share, HSA Savings, Performance Checking, Prestigious Checking, HSA Checking and Privileged Checking accounts, there is a minimum Average Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum average daily balance is not met, you will not earn the Annual Percentage Yield stated in the Rate Schedule. For accounts using the Average Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

6. ACCOUNT LIMITATIONS. For Secured VISA Savings Share accounts, you may not make any transfers or withdrawals from your account at any time. For Holiday Club Savings Share accounts, the entire balance will be transferred to your designated share savings account, unless you have instructed us otherwise, on or after November 1st and the account will remain open. For Prestigious Checking account, direct deposit is required.** Failure to set up direct deposit after the 60 days of allotted time, the Prestigious Checking account will automatically change to a Performance Checking account and a reduction in dividend rate to the Performance Checking dividend rate will occur. For all accounts, if the Credit Union's data processing computer is down (off-line), the Credit Union reserves the right to limit the maximum daily withdrawal amount to \$100.00 per member.

For Fresh Start Checking accounts, restrictions on your debit card will apply and check writing will be allowed. Member Privilege, Bill Payment, and Mobile Deposit capabilities not available for this account.

For Fresh Start Basic accounts, restrictions on your debit card will apply and no check writing allowed on this account. Member Privilege, Bill Payment, and Mobile Deposit capabilities not available for this account.
