

LOAN FUNDING CHECKLIST

SOLAR PANELS PURCHASE

The following documentation is needed to fund your solar panels purchase. If you have any questions, we are here to help, you may contact the Consumer Lending team at: (800) 479-7928 ext. 65370.

- ✓ Fully executed purchase contract from solar company
- ✓ Copy of building permit
- ✓ Copy of installation contractor's current business license
- ✓ Estimated savings worksheet
- ✓ Copies of the UPC barcodes from all installed panels
- ✓ Proof installation has been completed (such as certification from installer and/or photos)
- ✓ Other documents listed, if any, in your loan application* stipulations

*To access your loan application online in order to view stipulations and/or send communication to the Consumer Lending team visit the RCU website for Loan Applications at:
